<u>Question</u>	<u>Reply</u>
what is the latest position of construction of Kandaghat Hospital in Solan Assembly Constituency; by when it will be handed over to use for the public; details be given?	The information is laid on the table of the House.

Reply to Starred Assembly Question No. 4627 regarding Civil Hospital Kandaghat asked by Dr.(Col.) Dhani Ram Shandil (Solan):-

The funds to the tune of ₹450.00Lac has been deposited till date with the HPPWD against the Administrative Approval amounting to ₹16,89,90,745/- for the construction of 50 bedded Hospital at Kandaghat and approximately 40% work has been done by the HPPWD. But the work presently lying stopped/abandoned due to paucity of funds and also another reason regarding utilization of building as Hospital or as a De-Addiction Centre. Permission to convert under construction building at CH Kandaghat into a De-Addiction Centre has been given on 08-02-2022. However, the necessary budgetary provisions of lump-sum amount will be kept/incorporated for the next financial year 2022-23 for the construction/completion of 50 bedded Hospital/De-Addiction Centre at Kandaghat, District Solan. After depositing the remaining funds i.e. ₹1239.90Lac with the executing agency, the proposed work can be completed and on completion of work it will be handed over to use for the public.
