Reply to Starred Assembly Question No. 4711 asked by Sh. Vikramaditya Singh (Shimla Rural):

There is no road called Karyali to Mehewag. However there is Karyali to Matiyog road (length 1.750 km) which bifurcates from Sal-Karyali Nalah road at RD 3/900. This road completely falls in forest land. Forest clearance was received on dated 05-05-2017 for construction of ambulance road under Forest Rights Act-2006. Accordingly, construction of 3.00 meter wide road has been completed in March, 2019. Presently light vehicles and ambulances are plying on this road.
