Question	Reply
what is the latest position of installation of 33 KV sub-station near Samaila, District Mandi; by when its installation work will be started; details be given?	Information has been laid on the table of the house.

Information in respect of Starred Assembly Question No. 4864 asked by Col. Inder Singh (Sarkaghat) regarding “Installation of 33 KV Sub-Station”, fixed for reply on 07.03.2022:-

The tender for construction of 33/11 kV, 1x3.15 MVA Sub-Station at Samaila has been opened on 13-01-2022, evaluation of which is under progress. The tenders for procurement of equipment for the Sub-Station have been processed by the Design Office, Hamirpur. The equipments will soon start reaching the site and thereafter construction work of the Sub-Station will be started likely by June, 2022.
