Reply of the Starred Assembly Question No. 5007 asked by Sh. Rakesh Singha (Theog) regarding Milk Producers:-

- (a) Yes Sir, the Government is aware that milk producers of Rampur, Nankhari, Anni, Nirmand, Karsog, Kotgarh and Kumarsain keep raising their voice for the increase in milk procurement prices from time to time.
- (b) The Govt. is sensitive to the concern of milk producers and keep increasing the procurement Price every year. The cost of milk procurement price is based on the basis of Fat content and Snf Content in milk. Higher the fat/ Snf content in milk higher will be the price of milk and vice-versa. No scientific survey has been conducted so far for the production cost of milk by the Department but the procurement price has been derived on the basis of prevailing market rates being provided by the private dairy in the region which remains the same throughout the year irrespective of lean as well as flush season.
- (c) The requisite comparative chart with respect to cost of production of milk viz-a-viz cost of grass, wheat, tudi different qualities of animal feed, cost of transportation, labour costs and also rate of inflation in the last one year is enclosed as **Annexure-“A”**.
- (d) The Information has been enclosed as Annexure-**“B” & “C”**.
- (e) The filling up of vacant post in Veterinary Institutions is a continuous process.
- (f) 4757 No. of persons have done Veterinary Pharmacy as per the registered records of H.P. Para Vety. Council (HPPVC). 663 number of persons are anticipating employment/without jobs. As per the MMAPY policy issued by the Government GPVAs are appointed on honorarium basis. The initial appointment of GPVAs is made @ Rs. 7000/- per month honorarium. Subsequently, after completion of 5 years of continuous services the honorarium is enhanced to

The GPVAs are one of the feeder category and are regularized as Veterinary Pharmacists as per the existing R&P rules of the Veterinary Pharmacists. According to these R&P rules.
