2021-22 (up to 31.01.2022)	47924	495.81	0	0.00	577511	15.34

The pipes have been partially consumed and balance pipes are being consumed in the ongoing works. These Pipes are procured by the department keeping in view the working program, budget and targeted works. The material has to be procured in advance so that, ongoing works are not stopped due to non-availability of material.

The Division wise/dia wise detail of pipes alongwith consumption and balance is being collected.
