

ASSEMBLY QUESTION

Name of Department: Agriculture
UnStarred Question No. 2053
Date of Reply: 09.03.2022
Subject: Kandaghat Sabji Mandi
Question Raised By: Dr.(Col.) Dhani Ram Shandil (Solani)
Minister Concerned: Rural Development & Panchayati Raj Minister

Question	Answer
Will the Rural Development & Panchayati Raj Minister be pleased to state that what is the latest position of construction of Sabji Mandi at Kandaghat ?	Construction work of Parwanoo- Shimla four lane by the National Highway Authority of India (NHAI) is in progress. The land transferred for the purpose of establishment of Sub Market Yard at Kandaghat is adjacent to the Highway. Due to construction of the Highway approach road to the land needs re-alignment and other structures also need to be re-designed. Work on the final drawings and design of Mandi will start only after getting statutory permissions.
