Subject : Metalling Tarring of link road Burong
Asked By : Sh. Jagat Singh Negi (Kinnaur)
Concerned Minister : Chief Minister

Question	Reply
What is the latest position of metalling & tarring work of link road to village Burong ?	The road to Village Burong i.e. Shongthong to Burong has been constructed under State and BADP Head for a length of 4.500 Km. Out of which 4.00 Km. road is katcha motorable and balance length of 0.500 Km. is katcha jeepable. The land for construction of this link road remaining 0.500 Km. portion motorable is not available due to houses and orchards etc. on both side of the road. However, road to Village Burong i.e. Shongthong to Burong appeared in MLA Priority during the year 2012-13. Accordingly, the Detailed Project Report for Metalling and tarring of Shongthong to Burong road Km. 0/0 to 4/00 stands submitted to the Advisor (Planning) Planning Deptt. Yojna Bhawan H.P. Secretariat Shimla vide Engineer-in-Chief HP.PWD, Shimla office letter No. 794-98 dated 08.06.2017 for Rs. 231.43 lakh and further submitted by the Planning Deptt. to NABARD on 22.06.2017 for necessary approval but the same is still awaited.
